

TNT-EDM, INC.
GENERAL TERMS AND CONDITIONS
FOR PURCHASE ORDERS

This Purchase Order constitutes the entire contract between the vendor or seller named on the face hereof (“Supplier”) and TNT-EDM, Inc., or one of its subsidiaries (“Buyer”) covering the goods described in this Purchase Order (the “goods”). Supplier’s acceptance of this Purchase Order shall constitute Supplier’s agreement to the terms and conditions stated herein, without any modification, addition or alteration. Commencement of performance by Supplier or acknowledgement by Supplier of this Purchase Order shall constitute Supplier’s acceptance of these terms and conditions notwithstanding any contrary provisions appearing on any forms of Supplier. In the event of any inconsistencies between the terms of Supplier’s form and the terms and conditions set forth below, the terms and conditions of this Purchase Order shall govern.

GENERAL TERMS AND CONDITIONS

1. **SPECIFICATIONS:** Supplier shall comply with any specifications stated on the face of this Purchase Order and with any applicable United States Government specifications. Upon request, Supplier shall provide Buyer with a certificate executed by an authorized representative of Supplier setting forth Supplier’s agreement to comply with all such applicable specifications.
2. **INSPECTION:** Supplier shall grant to Buyer (or customers of Buyer or any governmental regulatory agencies) quality control access to Supplier’s plant or manufacturing facilities, including the freedom to witness and audit all phases of fabrication, testing, and storage of the goods sold to the Buyer. The failure of Buyer to inspect the goods shall not be deemed to constitute acceptance of any goods which do not conform to the specifications therefor, or to waive any of the Buyer’s rights or remedies arising by virtue of such defects or non-conformance. If any goods are found to be defective or otherwise not in conformity with the requirements of this Purchase Order, Buyer may, in addition to its other rights and remedies, reject such goods and require their prompt correction or their replacement at Supplier’s expense, including shipping and packaging charges. Alternatively, Buyer may repair or replace such nonconforming goods at Supplier’s expense.

3. **INSPECTION OF RECORDS AND PLANT:** If this Purchase Order is a subcontract under a government prime contract, Supplier agrees that its books, records, and its plant, or other such parts of its plant as may be engaged in the performance of this Purchase Order, shall at all reasonable times be subject to inspection and audit by any authorized representative of any Department of the United States Government.
4. **PRICE:** This Purchase Order shall not be filled at prices higher than specified herein. If price terms are omitted from the face hereof, the price of the goods shall be the lower of (i) the price last quoted or paid (whichever is later), or (ii) the prevailing market price at the time of shipment, or time and material as expressly defined by the terms of the Purchase Order.

Unless otherwise provided herein, prices set forth in this Purchase Order include all applicable federal, state and local taxes and duties or other charges. Buyer shall not be responsible for charges for packing, boxing, storage or cartage, unless expressly included on the face of this Purchase Order.

5. **TIME OF ESSENCE:** Time is of the essence in the delivery by Supplier of goods specified in this Purchase Order. Failure of the Supplier to make delivery of goods or to provide services within the time specified on the face of the Purchase Order, or within any extension specified by written change Purchase Order, shall be a breach hereof.
6. **SHIPMENT:** The terms and routing of the shipment of goods shall be as provided on the face hereof, or as Buyer otherwise directs. Buyer may revise shipping instructions as to any goods not then shipped.
7. **PAYMENT:** The time period allowed for payment, as indicated on the face hereof, shall commence upon the later of (i) receipt of Supplier's invoice or (ii) upon receipt of the goods.
8. **RISK OF LOSS:** Notwithstanding any provision hereof to the contrary, title to and risk of loss of the goods shall remain with Supplier until the goods are delivered at the F.O.B. point specified in this Purchase Order, or if no such point is specified, then when the goods are delivered to Buyer. However, if the goods are of an explosive, inflammable, toxic or otherwise dangerous nature, Supplier shall hold Buyer harmless from and against any and all claims asserted against Buyer on account of any personal injuries and/or property damages caused by the goods, or by the transportation thereof, prior

to the completion of unloading at Buyer's plant or warehouse.

9. **WARRANTIES:** Supplier warrants to and covenants with Buyer as follows:
(i) Supplier will deliver to Buyer title to the goods free and clear of all security interests, liens, charges, restrictions or encumbrances of any kind, nature or description; (ii) the goods shall be free from defects in material and/or workmanship; (iii) unless otherwise specified in this Purchase Order, the goods shall be new and not used or reconditioned; (iv) the goods and their packaging shall conform to the description thereof and/or specifications therefor contained in this Purchase Order.
10. **SUBCONTRACTING:** Supplier agrees that it will not enter into a subcontract for the procurement of any goods covered by this Purchase Order in their complete or substantially complete form without first obtaining written approval of the Buyer.
11. **REMEDIES:** In the event of Supplier's breach of this Purchase Order, Buyer may take any or all of the following actions without prejudice to any rights or remedies available to Buyer by law: (i) require Supplier to repair or replace such goods, and upon Supplier's failure or refusal to do so, repair or replace the same at Supplier's expense; (ii) reject any shipment or delivery containing defective or non-conforming goods and return for credit or replacement at Buyer's option, said return to be made at Supplier's cost and risk; (iii) cancel any outstanding deliveries hereunder and treat such breach by Supplier as Supplier's repudiation of this Purchase Order. In the event of Buyer's breach hereunder, Supplier's exclusive remedy shall be Supplier's recovery of the goods or the purchase price payable for goods shipped prior to such breach.

12. **PRIORITY:** In the event of any conflict between the terms specified on the face of the Purchase Order and any terms of these General Terms and Conditions, the terms specified on the face of the Purchase Order shall prevail.

13. **FORCE MAJEURE:** For the purposes of this Purchase Order, an event of “force majeure” shall mean any or all of the following events or occurrences: strikes, work stoppages or other labor difficulties; fires, floods or other acts of God; transportation delays; acts of government or any subdivision or agency thereof; or any other cause, whether or not similar to the causes or occurrence enumerated above which are beyond the control of the party claiming the occurrence of a force majeure event and which delays, interrupts or prevents such party from performing its obligations under this Purchase Order. Notwithstanding any provision hereof to the contrary, the reduction, depletion, shortage, curtailment or cessation of Supplier’s raw materials or any other supplies or materials of Supplier shall not be regarded as an event of force majeure. The party affected by a force majeure event shall give notice thereof to the other party within ten days following the occurrence thereof and shall apprise the other party of the probable extent to which the affected party will be unable to perform or will be unable to perform or will be delayed in performing its obligations hereunder. The affected party shall exercise due diligence to eliminate or remedy the force majeure cause and shall give the other party prompt notice when that has been accomplished. Except as provided herein, if performance of this Purchase Order by either party is delayed, interrupted or prevented by reason of any event of force majeure, both parties shall be excused from performing hereunder while and to the extent that the force majeure condition exists after which the parties’ performance shall be resumed. Notwithstanding the foregoing, within five days following Supplier’s declaration of a force majeure event which prevents its full and/or timely delivery of the goods hereunder, Buyer may, at its option and without liability (1) require Supplier to apportion among its customers the goods available for delivery during the force majeure period; (2) cancel any or all delayed or reduced deliveries; or (3) cancel any outstanding deliveries hereunder and terminate this Purchase Order. If Buyer accepts reduced deliveries or cancels the same, Buyer may procure substitute goods from other sources, in which event this contract shall be deemed modified to eliminate Supplier’s obligation to sell and Buyer’s obligation to purchase such substituted goods. After cessation of a force majeure event declared by Supplier, Supplier shall, at Buyer’s option but not otherwise, be obligated to deliver goods not delivered during the force majeure period. After cessation

of a force majeure event declared by the Buyer, neither party shall be obligated to deliver, or purchase goods not so delivered and purchased during the force majeure period.
